

BUTCHER BLOCK OIL

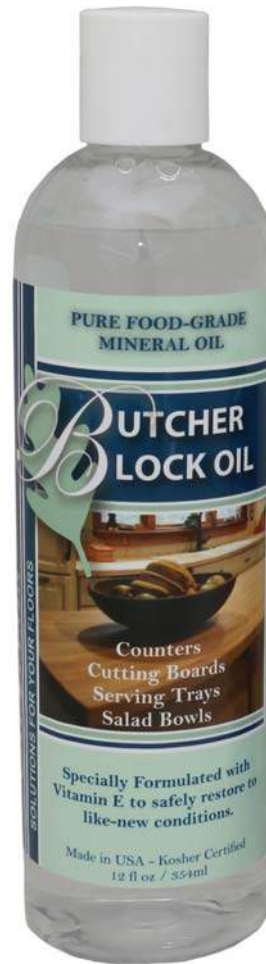

PURE FOOD GRADE

CAL FLOR

Well-oiled wood resists stains and damage caused by moisture.

Regular application of this specially formulated oil helps improve resistance to grease, stains and soiling. Well-oiled wood is superior for resisting moisture, resulting in less chance of cracking or splitting. This oil keeps cutting boards, counters, serving trays, and salad bowls clean and fresh-looking. Unlike vegetable oils, our Vitamin E enriched pure mineral oil inhibits bacterial growth while providing long-lasting protection.

- Food grade makes this kitchen-safe
- Mineral oil is superior for all butcher block or wooden cooking items and won't interfere with the flavor of food
- Bottled in a controlled and safe environment
- Kosher
- Bottled in the USA
